NOTIFICATION OF ABSENCE

Parents are required to notify their school-age program if their child will be absent from the program for any reason. If your child is absent from the program without notification, the staff must follow the "missing child" procedure (as outlined in the parent handbook), which pulls the staff away from their duties with the other children at the center. Therefore, this "Non-Notification of Absence" policy will be followed:

- 1) Written warning after the first "Non-Notification" of your child's absence;
- 2) \$25 fee assessed for each "Non-Notification" thereafter.
