## camp description

If you're looking for the perfect first step to the summer camp experience, K-1 Fun is our most popular program for the young camper in your family. K-1 Fun offers an exceptional camp experience in a small group setting. It offers daily themed art projects and games plus exciting weekly trips to the Palo Alto Children's Library and swimming twice a week. Kids can also enjoy optional gymnastics and soccer programs for a small fee. Along with these returning favorites, campers will get their hands dirty with ooey gooey fun, hang out with animals when the petting zoo visits and make their own teddy bears. Honing in on the adventurous side of kids, we'll also hunt for treasure, dig up dinosaur bones and take the shuttle downtown to Pizza My Heart. K-1 Fun campers will enjoy these and many more activities to create a summer they'll remember for years to come.
